FIRST PUBLIC PORTION (AGENDA ITEMS ONLY) –

*Speakers please state full name and address.

OFFICER'S REPORT – Robert Shumski

Meeting purpose and coordination of the lease and sewer plant operational review.

ENGINEER'S REPORT – Chris McCoach

None

SOLICITOR REPORT

- Attorney Datte will discuss the purpose of the lease

OLD BUSINESS –

NEW BUSINESS –

- Discuss and consider a proposed two-month lease extension from November 1, 2026, to January 1, 2027, subject to legal review and approval by both governing bodies.
- Review the Sewer Plant Operations Estimated Budget Report, including 2026 projections and 2027 planning estimates; identify revisions needed for a proposed operational package.
- Discuss continuity of service if the Borough does not continue operating the plant, including staffing, insurance, purchasing, compliance, administrative support, and transition costs.
- Assign responsibilities and deadlines for lease review, budget verification, and follow-up meetings.
